## HTMT GLOBAL SOLUTIONS LISTS ON TUESDAY 19<sup>TH</sup> JUNE

**Mumbai, June 18, 2007** – HTMT Global Solutions Limited, the company into which the ITES-BPO Undertaking of Hinduja TMT Limited demerged recently, will be listed on the BSE and NSE from Tuesday 19<sup>th</sup> June, with an equity capital of 2.05 crore shares of Rs. 10 each and a consolidated net worth of Rs. 700 crores, book value of Rs.337 per share and cash balance of over Rs.400 crores. The shares will also become available for trading in the F&O (Futures & Options) segment.

With a revenue run rate of over Rs. 600 crores, double-digit net profit margin for the current year and a good sales pipeline, HTMT Global Solutions excels in providing outsourcing solutions that include Back Office Processing and Contact Centre services to its 65 clients from across the globe including many fortune 500 companies, in verticals like Healthcare, Insurance, Telecom, Banking and Financial Services and Consumer Electronics, amongst others.

HTMT Global Solutions has world-class infrastructure in line with global standards, with excellent capacity utilization, a talent pool of 9500 employees and operations in 20 delivery centres across US (El Paso, Lyndhurst, Peoria, St Louis and Waterloo), Canada (Montreal), India (Bangalore, Chennai, Hyderabad, Mumbai, Mysore and Durgapur), Mauritius (Cyber City) and Philippines (Manila). It is amongst the few BPO business leaders that have implemented six sigma standards to its processes, is HIPAA compliant and has BS 7799 & ISO 9001:2000 quality certifications. It has been ranked as "The Best Performing Global Call Centre" by the Global Services Magazine in association with Neo IT in January 2007. It is also the winner of the "Intelligent Enterprise Award 2006 IT/ITES" (Process Improvement and Automation Tool" at the Technology Senate 2006 and named as one of the 200 "Best Under A Billion" companies by Forbes-Asia Magazine in October 2005.
